2  1  1 

Serenely situated in a small cul-de-sac moments from Rathdowne Village, this tranquil two bedroom home is a zen-like haven evoking the abodes of Japan. An unexpected find, offering little hint to the street of what awaits inside, the home opens into a spacious entrance area and benefits from thoughtful design that sees each bedroom and living space lead directly outdoors, where there is both a courtyard for alfresco dining and a picturesque Japanese garden. Complementing a spacious living room is a kitchen and dining domain, with a wide gas stove and modern Bosch dishwasher, and the dining zone flows to the paved courtyard. Two double bedrooms offer built-in robes and have beautifully framed views of the garden, with sliding glass doors to step through at any time to enjoy the fresh air. The bathroom/laundry, hosting a recessed bath, shower and double vanity, leads outside to a second courtyard. The rich use of timber adds character
