

9/5 Anderson Street West Melbourne VIC

3 2 2

On the original site of the Brockhoff Biscuit Company, the industrial beginnings are evident in the warehouse proportions and design that continue to characterise this striking inner-city residence. The luxurious tri-level floorplan is crowned by sun-drenched master bedroom (or superb study) indulging in stunning balcony views of the Star with two equally tempting bedrooms below. The ambience of warmth downstairs, informed by a combination of abundant light and hardwood flooring, embraces open plan living to which a northward courtyard confirms that expectations of entertaining alfresco in an apartment are exceeded in the most enticing manner. An outstanding address within a few moments' reach of trains, trams, buses and the abundance of cafés and restaurants on Errol Street. OSP.
