4 2 2

6 Month lease initially then month to month

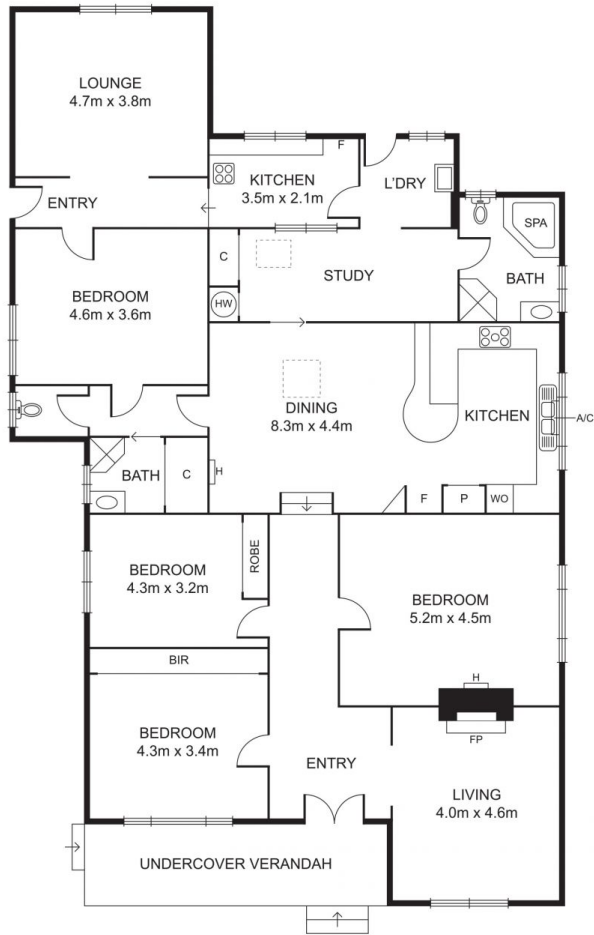

Metres from Puckle St, this home is an address that's often regarded as one of Moonee Ponds' best. Inviting central hallway introduces three of the four bedrooms accompanied by formal living where soaring ceilings complement the character of a period ornamental fireplace. Tiled floors lead through to wide, bright dining room and kitchen with induction cook top - before stepping through to generous study, second kitchen, family lounge and entertaining area outside. Adding to the appeal are an abundance of off-street parking including double carport. Close to the train station and Moonee Ponds Central, with both Queens Park and the Maribyrnong River within walking distance.
