

2 Munster Terrace North Melbourne VIC

2 1

Through its own street entrance off a quiet North Melbourne street, you'll enter this beautiful low-maintenance, open plan living space in the iconic Mulcahy's converted pub hotel.

This apartment was once the pub's cellar space but has been thoughtfully designed to create a quiet sunken sanctuary. This 2-bedroom apartment includes built-in robes, timber floors, dishwasher and reverse cycle heating/cooling and also has a fully renovated bathroom. Not to mention it is within walking distance to North Melbourne Station, Errol St, Queen Victoria Market, the CBD and local cafes including the famous Auction Rooms.
