

308/11 Stawell Street North Melbourne VIC

2  1  1 

Known by its name, defined by its desirability, the 'House of Angus' is an address that offers superlative style in a location that lets you walk to a sensational list of inner city attractions. Beautifully created by 11 Dimensions Architects, this inviting apartment complements its location by providing luxurious proportions including a living/dining area featuring fabulous timber floors, the total comfort of heating/cooling and the outdoor appeal of an elegant balcony. The excellence of the open-plan kitchen is made clear by its quality appliances and integrated storage - an ideal accompaniment to the living/dining domain. A main bedroom with a second bedroom served by an equally stylish second bathroom contribute exceptional accommodation to a design that's totally attuned to contemporary life. A secure allocated car space further enhances the opportunity to enjoy such sought after proximity to cafes, shops, the CBD, the hospitals precinct
